# Activities...

## Beavers

Beavers really enjoy having fun and making friends. We play games, make things, and go on occasional trips.

## Cubs

If you enjoy doing lots of different things, having adventures and being with your friends, you'll have a great time in Cubs. We go camping, try out different crafts and games, and earn badges and awards along the way.

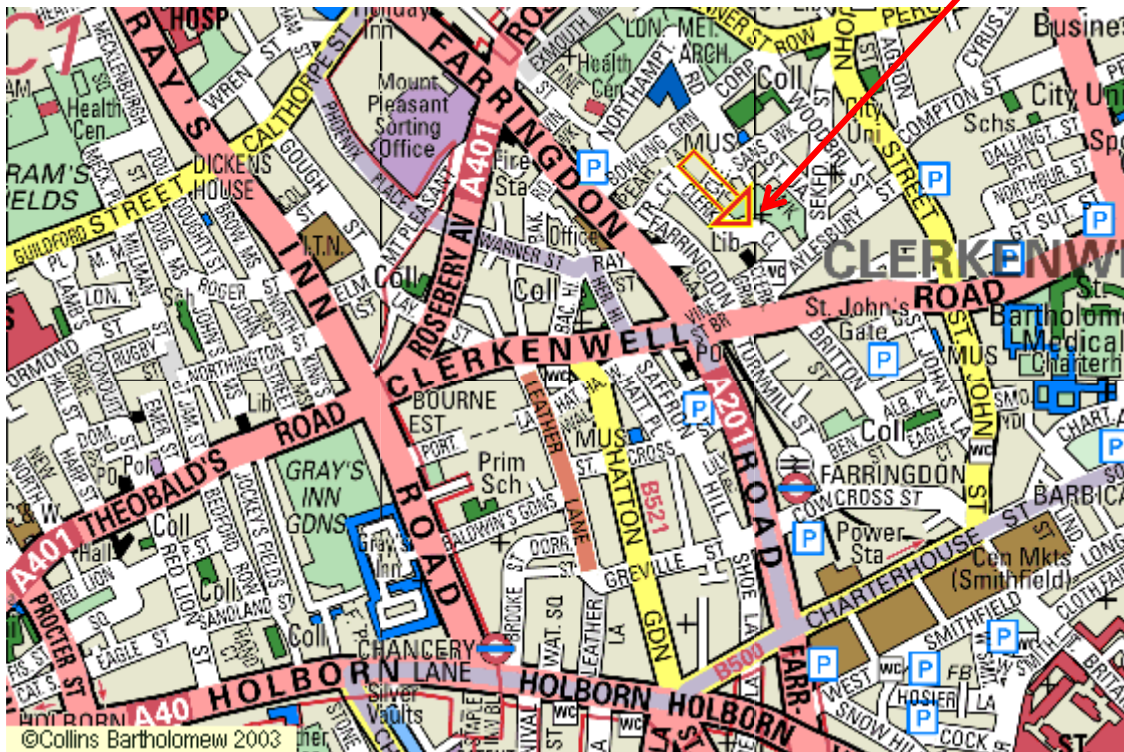

## Scouts

Scouts have fun, adventure and challenges, as well as having a laugh with each other. From trying out new activities, and going on expeditions to camp fire cooking and time with friends, there's something for everyone.
